 REPUBLIC OF SOUTH AFRICA

Welcome!

Our highest calling at Rock of Christ Christian School (ROCCS) is to help students both to discover and to realize their full potential!

ROCCS has been in operation since 1989, originally starting out as a Pre-school (Elkana Christian Academy). In 2010 we registered a new school called Rock of Christ Christian School (ROCCS) that consists of a Pre-School, Primary and High School. We have grown from strength to strength over the years and offer curriculum based excellent ECD programmes and on the CAPS from grades 3R to Grade 12 with the Gr12 NSC Exit Option through IEB.

Built on a strong foundation of personal relationships with Christ and with one another, our mission flourishes each day as faculty and students pursue excellence in academics, athletics, the creative arts, and their faith. We believe that education is the communication of life from generation to generation. Students are taught not only how to make a living but also how to live! Learning at ROCCS takes place within a warm and friendly environment with smaller class sizes allowing for a more individualised focus. Our excellent and well-equipped school facilities enable comprehensive participation and access to traditional learning methods in our pre-school and primary sections. Our high school section uses a blended learning approach which incorporates both the traditional learning environment and full exposure to online education.

ROCCS offers curriculum and programs that meet a broad spectrum of children's needs — the types of things that make us human, such as music, drama, sport and physical development, social interaction, team building, school excursions, godly character development, choir ... and lots of fun — things you remember for a lifetime!

We operate in partnership with Independent Schools Association of Southern Africa (ISASA), and with Online School in our High School section. ISASA is the oldest and largest membership organization for private schools in Southern Africa. ISASA serves over 900 member schools across a broad range of socio-economic and cultural communities. Our member schools educate more than 210 000 pupils.

ROCCS is registered as an independent (private) school with the KwaZulu-Natal Department of Basic Education.

*Please feel free to contact the school office for any questions you may have or for any further information you may need. Fee Payment Agreement

As a parent of student/s attending Rock of Christ Christian School/pre-School (the School), you are required to cover all costs pertaining to the education process of your child. You will need to budget accordingly and hereby agree to pay all fees when they become due. The school is an independent (private) school, which relies on the prompt payment of fees for your child. Furthermore, please note that each child is individually funded by their parent / guardian. Therefore, all curriculum, or other related costs, cover only an individual student's work and not the student body as a whole.

This fee payment agreement is a legal document that details your responsibility to the school for your financial commitment. The School cannot afford to recruit any students whose parents are not absolutely convinced that they will be able to afford the school fees. This fee payment agreement is to be signed and agreed to, prior to your child being admitted to the School and your compliance with this agreement is a continued condition of enrolment at the School.

AGREEMENT

In recognition of the acceptance of my child / children in Rock of Christ Christian School,

I (Full Names of Person responsible for payment) _____

hereby agree to pay all applicable fees pertaining to my child's grade as per current ROCCS SCHOOL FEE STRUCTURE (pg. 12) and any subsequent annual or other fee adjustments/increase as and when they occur.

1. School fees (**as per the ROCCS Fee Structure page 13**) must be paid in advance by the 3rd of each month, payable over 12 months. Fees paid after the 3rd of the month shall be charged an additional administration fee of R200.00 on the next account due to certain extra costs incurred by the school due to late payment. Further non-payment will lead to prompt legal action being taken by the school. The school is reliant on various third-party curriculum and online tuition providers who may also block services to a student in addition to a student being suspended until the account is settled in full. Parents remain liable for all fees and other outstanding costs related to their child's account.
2. FIELD TRIPS: Educational outings are arranged to reinforce and motivate learning and form part of the curriculum. Prior to any outing the school requires that parents sign an indemnity form. Parents will be notified of all field trips in advance. There are additional costs which parents will incur i.e. Field & Educational Trips, Student Conventions.
3. The school is privately run and we therefore over and above school fees rely on additional fundraising to cover costs. We encourage all parents to support our various fundraising efforts.
4. SPORT – Non-Attendance. A "no-show" fee of R 200.00 per learner will be charged for all official school sporting events when a child has registered for a sporting event but does not show up at the time required for the event, except if there is a valid presentation of a doctor's certificate. Entry and other fees related to the sport event also remain payable, regardless of whether attended or not. Please check carefully when you complete, sign and return your child's reply slip stating that he/she may play sport for a particular sporting event, as once a learner has committed to participate, we expect him/her to attend.
5. Re-enrolment: The school will not re-enroll or confirm the placement of a learner for a subsequent or new academic year unless all current fees due are fully paid up to date at the time of re-enrolment application. Should my child's fees not be paid up to date, I hereby recognize that it is my responsibility to make timeous alternate arrangements for my child's future education. In these instances, the School will not keep a place open for a learner and also be unable to provide a good payment reference. The parent / person responsible for payment remain fully liable for all outstanding fees.
6. Future Cost: Student fees and costs as stated in this document may be adjusted from time to time in line with increased inflation, increased operating costs, or increased costs from our Curriculum Providers and other Third-Party Suppliers.
7. I authorize the school to do credit bureau searches on me/us and in the event of any school fee due by me/us nor being paid, I/We authorize the school to inform any relevant credit bureau and have my/our name listed with them.
8. I/We chose the address specified as our residential address/es under personal details as my/our chosen legal domicile for service of all legal notices and processes until I advise the school in writing of my/our new address.
9. That in the event that I/we are not the natural parent/s and/or guardian/s of the child or children enrolled at the school, then I / we accept responsibility of parent as defined in Section 1 of the Schools Act.

I/We hereby agree that we have read and agree to all the terms and conditions contained in this Fee Payment Agreement and that we have a legal obligation to pay all fees due on time and understand that non-payment of fees will be cause for suspension of all services (including the withdrawal/non-issue of curriculum) or access to the school.

STATEMENT OF FAITH AND PRACTICE

At ROCPS and ROCCS we welcome students from various denominations and churches. Our foundation is based on the Holy Bible, and in order to clarify our doctrinal position, the following primary statement of faith has been established:

WE BELIEVE IN:

- The inspiration of the whole Bible in all parts and without error in its origin;
- The one God, eternally existent Father, Son and Holy Spirit, who created man by a direct immediate act;
- The virgin birth, sinless life, death and resurrection, ascension to Heaven and the second coming of the Lord Jesus Christ;
- The fall of man, the need for forgiveness and renewal of the Holy Spirit on the basis of grace;
- That salvation is found in no one else but through Jesus Christ, for there is no other name under heaven given to men by which we must be saved;
- The spiritual relationship of all believers in the Lord Jesus Christ, living a life of righteous works, separated from the world, growing in grace and in knowledge of God, and witnessing of His saving grace through the ministry of the Holy Spirit;
- The Scriptural definition of a family is the basic unit of society and the Church, and that every effort should be made to encourage and maintain God's order in the family.

I have read this Rock of Christ Christian School Statement of Faith and Practice and hereby agree that I understand the doctrinal position and beliefs contained herein. I furthermore agree to my child being taught and developed in Christian character and godly wisdom according to the biblical principles and beliefs contained herein.
